

Canadian Association of Optometrists

The Canadian Association of Optometrists, Cooks ISI Insurance and Encon Group Ltd. have been providing a **Professional Liability Insurance Program** for members of the Canadian Association of Optometrists (CAO) since July 15, 2000. The program is designed to meet the needs of Optometrists and gives the CAO members the insurance protection they require for services rendered in Canada.

HIGHLIGHTS OF THE PROGRAM

- A policy designed to cover the Professional Liability Risks of Optometrists
- Exclusive coverage for CAO members
- **Policy limits: \$3,000,000 per claim, \$3,000,000 total claims in one policy period**
- Competitively priced premiums
- Coverage includes legal expenses for investigations, defense negotiations and settlement of any claim
- Coverage for legal expenses for disciplinary actions
- Criminal defense reimbursement if defense proves to be fully successful
- The security of first class insurers
- The security of protecting personal assets against legal actions
- Broad Named Insured with coverage extended to include holding companies & professional corporations
- Retroactive coverage for no additional premium
- Retirement coverage for no additional premium
- No annual renewal application to complete
- Peace of mind with a policy designed for you
